

16TH SUNDAY IN ORDINARY TIME

Some thoughts .

Today's Gospel is very similar to last week's and it's the theme of parables . stories that help us to understand Jesus's teachings.

And the crux of it is about following Jesus.

So what must we do to be followers of Jesus?

Most importantly we must love Jesus.

We must love everyone, even the people who are mean to us.

We must help others when we can, even when we feel tired.

We must put others before ourselves

We must pray . talk to Jesus about our day, our difficulties, our happiness.

And we know that if we make mistakes, get it wrong, Jesus will always forgive us.

Children to think about the things they could do to follow Jesus . helping their mums and dads, helping their brothers and sisters and so on.
