

17TH SUNDAY IN ORDINARY TIME

Some thoughts ò ò .

This is a difficult Gospel for grownups to understand, again Jesus is using parables to help us understand about the Kingdom of Heaven.

So today we can focus on prayer . talking to Jesus..

Think of the prayers we say .

Hail Maryò

Our Fatherò

We thank Jesus for all that we enjoy; we ask for forgiveness for our sins, those things we got wrong, and we ask Jesus to help us and others . friends, family, school, church, the world and so on.

Write a thank you prayer . a clue might be some of our lovely thank you hymns!
