THOUGHT FOR THE WEEK

Today we are reminded of the implications of our own baptism in Christ, which requires us to live as Christ did and immerse ourselves in the grief and joy of all God's people. We are called to show compassion to people in need, be advocates for justice and peace, and care for the gifts of earth, such as water. We are to be a healing presence in the world. And note that Jesus is told that He is "Beloved". As human beings, we have an instinctive need to be loved as well as to love others. Hopefully, each of us has people in our lives who love and care for us. Have you told them lately how much they mean to you? Today may we be mindful of the people who love us and be grateful for the great gift they give us. And also today, may we be more dedicated in our loving, and resolve in the coming year not to let petty quarrels and jealousies get in the way of caring for those around us. Our love for and service to one another is a sharing in the love of God. Let us be reminded of that as we reflect on the beautiful image of Jesus, the voice of God the Father and the Holy Spirit in the form of a dove of peace revealing themselves at the Jordan.

- Jesus began his public ministry with his baptism. The Trinity was revealed at his baptism.
- At our baptism, we are called to immerse ourselves in loving others and all God's creation.

JESUS THE WAY, THE TRUTH, AND THE LIFE

Are you looking to find out more on Jesus and his ministry? This is a Powerful Study on the Life of Jesus Christ. The marvellous treasures of the Catholic Faith—the Eucharist, Mary, the saints, and the Creed—are all centered on a single figure: Jesus Christ. Jesus is more than a historical or theological figure. He is our Saviour, our Redeemer, our Lord, and our God. While many of us already know a lot about him, how well can we say we really know him? Filmed on location in the Holy Land, Jesus: The Way, the Truth, and the Life is a new and fresh look at Jesus—who he is, what he is really like, what he taught, and what he did for our salvation. This encounter with Christ will inspire and empower you to center your entire life on him as you come to know and love him in an ever-deeper and more intimate way. Starting Tuesday 12th January 7.45pm. If you would like to register for this course - please contact Joan at jkent@portsmouthdiocese.org.uk.

ORDINARY TIME

Besides the times of year that have their own distinctive character, there remain in the yearly cycle thirty-three or thirty-four weeks in which no particular aspect of the mystery of Christ is celebrated, but rather the mystery of Christ itself is honoured in its fullness, especially on Sundays. This period is known as Ordinary Time. Ordinary time begins on the Monday after the Baptism of the Lord until Ash Wednesday and begins again on the Monday after Pentecost until the First Sunday of Advent.

ALPHA ON LINE

Starting on Monday 18th January at 7:30pm and running for eleven weeks.

The programme will be hosted on Zoom and is open to all – why not make it your New Year Resolution.

FORMATION ON THE MASS

This coming January, Sr Hyacinthe invites you to join the Formation for Mission Team for a Back to Basics Course on the Mass in 6 sessions to refresh our understanding and deepen our love for the Mass. After lockdown, we may find it difficult to return to the sacramental practice of our faith. Taking time to discover or rediscover what we believe in our faith, how this is celebrated in the Mass, and how we are called to live it may be just what we need at the beginning of the year, to re-ignite our love for the Mass and find the words to encourage others. Each session will end with a time of prayer. They will be led by Sr Hyacinthe and Angela Wood. This course will be especially helpful to catechists, readers and parents of First Holy Communion children, but it is open to everyone. It will be taking place on Monday evenings from 7 to 9 pm, from 11th January to the 15th February. Further details in this week's e-News.

VILLAGE MAGPIES

RECYCLING PLASTICS FOR LOCAL CHARITIES

Did you know that it can take 80 years for a crisp packet to decompose? Or 450 years for a plastic bottle?

It is really important that we all try to reuse plastic items and refuse to accept plastic packaging where possible to cut down on the polluting use of oil to create it and reduce the amount discarded as long-lasting litter.

If you do use plastics you can recycle your bottles in your Hart blue wheelie bin, but there are actually lots of other items which could be recycled. You may have heard of a national scheme set up by a recycling company called TerraCycle who recycle waste products in the UK and then make new products such as outdoor furniture, play and gardening equipment.

The Village Magpies are a small team of volunteers in our area who have joined the scheme to encourage recycling and simultaneously raise money for local charities according to the weight of waste collected.

The Village Magpies have registered with TerraCycle and currently have been accepted onto 11 different 'waste streams'. Have a look at this list and see what products you use. Bring them to a collection point near you and make a difference to the environment and support local charities.

Cheese – flexible plastic packaging from **any brand** of cheese

Lavazza – **Lavazza only** coffee eco caps (please bag separately to avoid drips)

Kinder – **Kinder only** aluminium foil packaging, chocolate wrapper, rigid plastic packaging, flexible plastic packaging

Ferrero Rocher & Ferrero Collection – gold plastic tray, transparent plastic box & outer plastic wrappers, aluminium foil wrappers

Personal Care - **any brand** of make-up e.g. mascara, lipstick, eye shadow; flexible plastic package from facial wipes; flexible tubes for body creams/ointments

Weleda - **Weleda** flexible tubes, e.g. creams, body wash, sunscreen

Kitchen cleaning – flexible packaging from **any brand** of: dishwasher tablets, plastic dishwashing salt bags, home cleaning wipes, cleaning product refill packaging, stain remover powder flexible packaging

Marigold – **Marigold** gloves and plastic packaging

Hasbro – **Hasbro** toys and games (except electronic) e.g. NERF, Play-Doh, Littlest Petshop, Monopoly, My little Pony, Mr Potato Head, Transformers

L.O.L. Surprise! – **L.O.L.** products, accessories and packaging

The Village Magpies cannot accept items which can be put into your blue wheelie bin – such as paper, card, plastic bottles, cans and aerosols even if these are from any of the brands listed.

Please sort your waste into the different 'streams' if at all possible.

Putting the flattened packets of any one type inside one of the larger packets of the same type will save a lot of time and mean the Village Magpies can get more into each box they send away. Or you could use a bread bag for each stream – they can be recycled too.

Look for the Village Magpies purple wheelie bins at:

- **Whitewater School, The Street, Rotherwick, RG27 9BG**
- **The Rectory, Vicarage Lane, Hound Green, RG27 8LF**
- **Sacred Heart Church, London Road, Hook, RG27 9LA**

We hope to have even more collection points coming soon. If you can offer to site one for us, please get in touch.

Please email Michele if you notice the bin is getting full or if you have any specific questions.
