Fr Paul Leonard is running in the London Marathon for CAFOD

While we are experiencing some very cold & wet conditions in the UK right now, [CAFOD](https://www.justgiving.com/fundraising/paul-leonard30) are working hard to bring relief to communities which are badly affected by drought. Why not take a look at CAFOD's ideas for things we can do to help reduce climate change? If you're able to, please make a contribution to Paul's fundraising page to help CAFOD to work even harder - and give Paul some much appreciated encouragement!
